

Our Story

Tandoori Bites Catering offers catering for **every occasion**, from formal to casual.

Our **professional** catering team has the **experience & training** required to help you plan the perfect party or host a memorable **traditional Indian celebration**. We're also available to cater your business lunches or other company events.

We specialize in providing deliciously authentic, Indian food, made from fresh, locally-sourced ingredients and flavors that **will have your guests talking about it for weeks** to come. We cater events of every kind for **up to 800 guests**, and our **large service area** covers most of Northwest Washington, making it convenient to schedule with us for events from Seattle all the way up to the border.

OUR GOAL: To make your event **stand out** by providing your guests with **food that is truly fit for kings & queens!**
